## James Shirley Dramatist Nason Arthur Huntington

**14 commentary tillthefangscatchyou - eva griffith** - shirley was described as such, with claims that his voluminous writings suggested his catholicism. at a certain point,however, this view changed. scholars have recently played down the writer s reputed faith, disputing the evidence or rejecting it altogether. arthur huntington nason took the cautious line. in james shirley dramatist: a **class conflicts in james shirley's the lady of pleasure ...** - class conflicts in james shirley's the lady of pleasure and bernard shaw's pygmalion . pamukkale university . institute of social studies . master of arts thesis . department of western languages and literatures . department of english language and literature . serap ışık.
